PRE-APPLICATION INFORMATION FORM - FOOTBALL FOUNDATION CAPITAL PROJECTS (FDPS-2)

The form is intended to be completed by applicants who are expressing an interest in grant-aid from The Football Foundation. The form will be used to give details of proposals to the County Local Football Partnership and The Football Foundation. The form will be used to assess return on investment and strategic need.

Note: *The FA provides pre-application support and advice on behalf of the Football Foundation. As a charity the Football Foundation is obliged to consider all applications submitted to them. For details go to www.footballfoundation.org.uk.*

The applicant is requested to submit either a Football Development Plan and/or Football Development Planning Sheet (FDPS-1) (available from your County FA) for their organisation/site. This should justify why the facility development is needed. You can get advice and guidance on these documents from your County Football Development Officers.
